Hi Patty –

ORC won't have three attorneys attend. I briefly talked to Cara and either she/Allyn will come but not both. We may not have an answer till Monday when Allyn is back. Is that okay?

**Subject:** FW: Feb 8 meeting with EPA

Hi David and Ashley-

Below is the list of attendees from PLP and their proposed agenda for the meeting with the RA. The agenda is focused on the process moving forward.

Currently we have yourself, Ashley, Cara, Allyn, and I attending. Would you like others to attend? I recommend Marcia if she is available.

Also, any additional agenda items? I don't have any agenda items that can't be addressed during the Q&A.

Thanks-

Patty

Patty

Thanks for the email. Attending for PLP will be:

John Shively – PLP Chairman

Peter Robertson – PLP Senior VP Corporate Affairs

James Fuego – PLP VP Permitting

John Iani – Perkins Coie

The primary purpose of the meeting is to introduce ourselves to the new Regional Administrator, give him an overview of our proposed project, and address any questions he may have for us about the project and the process that is starting.

I would suggest an agenda as follows:

- 1) Introductions
- 2) Project Overview
- 3) Process Q&A

I would appreciate it if you could let us know who will attend from the EPA team.

Thanks,

James

James Fuego

Hi James-

I was asked to reach out to Pebble to regarding the February 8 meeting with our Regional Administrator, Chris Hladick, to determine meeting attendance and an agenda.

Could you share with me your list of attendees and topics you would like to discuss?

Also, we should chat about whether you would like to have a separate meeting with our Pebble permit oversight/NEPA team.

Feel free to give me a call or to respond via email.

Thanks –

Patty
